Do these who hesitate to enforce the liberties purchased by our bloody Civil War, remember the principles laid down by the immortal Lincoln? Do the present day leaders of the Republican party realize, not only what the Martyr of Freedom gained for the Nation, but what he saved us from? "You can fool all of the people some of the time, and some of the people all of the time, but you can not fool all of the people all of the time." This bit of wisdom from Lincoln will live!
